Pupil Premium Strategy Statement:
ST ANNE's C.E. PRIMARY SCHOOL
2017-18 REPORT

Background

The pupil premium is a government initiative that targets extra money at pupils from deprived backgrounds. Research shows that pupils from deprived backgrounds underachieve compared to their non-deprived peers. The premium is provided to enable these pupils to be supported to reach their potential.

The Government has used pupils entitled to free school meals (FSM), looked after children and service children as indicators of deprivation, and have provided a fixed amount of money for schools per pupil based on the number of pupils registered for FSM over a rolling six year period. At St Anne's we will be using the indicator of those eligible for FSM as well as identified vulnerable groups as our target children to 'close the gap' regarding attainment.

Context

When making decisions about using pupil premium funding, it is important to consider the context of the school and the subsequent challenges faced.

Identification of Pupils

We will ensure that:

- ALL teaching staff and support staff are involved in the analysis of data and identification of pupils
- ALL staff are aware of who pupil premium and vulnerable children are
- ALL pupil premium children benefit from the funding, not just those who are underperforming

- Underachievement at all levels is targeted (not just lower attaining pupils)
- Children's individual needs are considered carefully so that we provide support for those children who could be doing "even better if….."

Overview of Funding

2016-2017 St Anne's C.E. Primary School received £31,560 in Pupil Premium funding.
2017-2018 St Anne's C.E. Primary School received £19,080 in Pupil Premium funding.
2018-2019 St Anne's C.E. Primary School has received £18,480 in Pupil Premium funding.

Record of Pupil Premium Grant spending 2017 - 2018			
Item/project	**Cost**	**Objective**	**Outcome**
Provide TA support in every class- every morning	£8 500	TA support individual pupils and groups with precision teaching, specific interventions or pre-teaching for different groups/ individuals- thus raising attainment (in addition to the Maths/ English hours)	Monitoring from our SENCo and SLT show that attainment is improving for these groups of children.
Pupil Premium TA	£8 500	Pupil Premium TA targets individual and groups of CHN involving PP and SEN CHN- thus accelerating progress for all Pupil premium CHN.	Pupil Premium CHN achieve in line with non-Pupil Premium CHN – thus closing the gap.
Maths in Motion	£600	To provide provision for more able mathematicians applying maths skills in a practical context.	Extra-curricular club provision ensures that more able mathematicians have opportunities for maths in additional contexts.
Mathletics and Spellodrome	£495	To access learning online in school and at home to support opportunities for Maths and Spelling.	Data checks show that individual groups of CHN (PP) are making good progress.
Educational Visits/ Residential	Y4= 3 x £150= £450	To ensure that all pupils can access all visits that the school provides including outdoor education.	All pupils are able to access a wide and varied curriculum
Curriculum Resources- Maths No Problem	£545	To ensure that the teaching of Maths in KS1 enables all Pupil Premium children to achieve the expected standard and beyond.	KS1 targets show increased attainment levels for KS1 children.
