VISION

We aspire to be guided in all that we do by our inclusive Christian ethos. We are enthusiastic about life-long learning and share wisdom in serving each other and our world. We encourage all to live lives of hope and aspiration, inspired through acquiring new skills and attributes. Dignity and respect are at the heart of our school.

HEADTEACHER'S MESSAGE

Dear Parents and Carers, It has been a very hot end to the school year, but the staff and children have all coped extremely well in the conditions. Thank you for all your support with the postponement of the disco. Whilst this might have been disappointing to the children, I fully believe with the temperatures experienced the correct decision was made. Year 6 have had a wonderful end to their adventure at Primary School with Standon Bowers; church services; water fights; McDonalds; Awards ceremonies; Pizza and Ice Cream! Year 6 this year have been wonderful ambassadors for the school. Not only have they achieved some of our best SATs results ever, despite the disruption to their education, but they are a lovely group of children who knew and live their lives with the St Annes values. They know what it means to be a 'good person' and carry this out. They have excelled sportingly and they produced a wonderful version of Charlie and The Chocolate Factory last week. They are going to be missed next year but their new adventures start of High School where we wish them well. Well done Year 6! Unfortunately I have missed the celebrations this week due to illness, but would like to thank Miss Turner and the whole staff not only for their dedication and commitment towards the children this week in my absence, but also through the whole year. The staff at St Annes are fantastic and certainly go the extra mile for the children. Finally, everyone at St Anne's wishes you a lovely, restful and peaceful summer on your adventures and we look forward to welcoming you back to school on Tuesday 6th September. Mr Hobson

PRAYER

Dear Lord,
Please give strength to our Year 6s as they move from primary school to high school. We also pray that the school community stays safe over the coming summer. Amen.

Standon Bowers

Standon Bowers has been a fantastic week with a fantastic class! The children behaved brilliantly and thoroughly enjoyed the week of activities. A great ending to a brilliant year.

Come and Play– The Halle Orchestra

On Friday 8th July, Year 3 were given an amazing opportunity to watch and perform alongside the Halle Orchestra. We once again visited the Victoria Hall and took part in an American themed morning of music. The children all tried really hard and played brilliantly. We enjoyed singing and dancing along to the songs the most. Our favourite song played by the orchestra was the movie theme tunes to finish.

Y1 Seaside Day

Oh I do like to be beside the seaside... Year 1 had a fantastic day learning about the seaside! We learnt about what it was like to visit the seaside in the past and what it is like to go to the seaside in the present day. The children created their own fold out beach scene of items they would like to take to the beach and discussed items they think they should take. We finished the day playing beach games, eating ice lollies and having a huge water fight! We had the best time and made great memories. What a wonderful way to end our topic and the school year.

POLITE NOTICE We have once again had complaints from local residents and parents regarding inconsiderate parking on the zig zag lines outside school, parking dangerously and blocking driveways. **PLEASE PARK SAFELY**- the safety of our children is paramount at all times.
