Start children off on the way they should go and even when they are old they will not turn from it. (Proverbs 22:6)

VISION

We aspire to be guided in all that we do by our inclusive Christian ethos. We are enthusiastic about life-long learning and share wisdom in serving each other and our world. We encourage all to live lives of hope and aspiration, inspired through acquiring new skills and attributes. Dignity and respect are at the heart of our school.

HEADTEACHER'S MESSAGE

Dear Parents and Carers,
We have been touched at how wonderfully the school community has come together to donate items for the Ukrainian refugee appeal. We literally have a lorry full of items waiting to be collected. Next Friday, representatives from Swanbank Church, Burslem will be collecting the items to take to a national central point in Manchester.
Today has been Comic Relief and it has been lovely to see the children come to school as their heroes - from being themselves to their parents, Superwoman or Ronaldo! Thank you for supporting this year's Comic Relief appeal. Our stock of 150 red noses were sold out within 24 hours! We also held a lovely Reading week, which promoted the love and importance of reading. We were lucky enough to have a visit from the amazing author Stuart Reid, who certainly inspired the children. Thank you to Miss Turner for arranging a brilliant week.
Finally, this week we have seen a huge spike in Covid cases. We are working with Public Health and have requested a deep-clean over the weekend. Cases are not only just affecting children, but also staff with today up to 8 members of staff absent. This has resulted in some classes being taught by different people. I must thank the staff, who are in school, for their efforts this week in ensuring that disruption is kept to a minimum for your child. Please continue to test your child daily over the weekend.
Mr Hobson.

PRAYER

Dear God, We pray for peace and love across the whole world in these times of uncertainty. Amen

PEAK WILDLIFE PARK

Y2 had a wonderful day out at Peak District Park. The weather was beautiful making all the animals wanted to come out to meet us. The wallabies were really friendly and loved having the parsnips and carrots off us; some even had babies in their pouches who were popping up to say hello. We were amazed to see the new family of red squirrels who were really curious and wanted to see us . The meerkats made us giggle and there were some really funny penguins (especially the one who was trying to get up the keepers trouser leg to hide). A fun day was had by all and we ended it with treats and some sweets from Seb as it was his birthday.

WESTERN POWER TALK

On Tuesday, years 4-6 had a talk from Adele from Western Power Distribution all about how to keep themselves and others safe around electricity both at home and in their explorations of the wider world. "105 - stay alive!" That's the number to call if you see something electrical which is damaged while you're out that could be dangerous. Families are advised that for those especially dependent on electricity, to whom a powercut could be especially dangerous (people who store medicine in fridges, those who use stairlifts or rely on medical equipment, etc), then they can sign up for the WPD priority service at https://www.westernpower.co.uk/customers-and-community/priority-services/priority-services-register.

Cross Country

Tuesday afternoon saw the first of two Cross Country events hosted by Endon High. The school was well represented.(despite absences). A massive congratulations to all who represented the school. The results are as per the attached sheet.

MACCLESFIELD SILK MUSEUMN VISIT Y5

On Monday 7th March, Year 5 attended the Macclesfield Silk Museum to learn about working conditions and the day-to-day experiences of Victorian children. The day was interesting, with the tour of the working mill being the highlight of events. The children seemed to enjoy themselves and behaviour was excellent.

COMIC RELIEF SUPERHEROES

School Council thought of this year's Comic Relief non-uniform theme. We met and discussed what heroes are and why it would be a good theme to help raise money for Comic Relief. School Council meet every two weeks and discuss current and upcoming events in and around school. The children were really enthusiastic about organising this day and helped to write the letter that was sent to families.

PARENT FORUM

On Monday 14th March we had our Spring Term meeting at Parent Forum. This was attended by three parents who shared their ideas. We discussed wellbeing, SIAMS, Online Safety and Jubilee week. Thanks go out to those parents that attended. It was great to hear parents views and having them inputting some ideas in to school life. Looking forward to our next meeting in the Summer Term.
