Start children off on the way they should go and even when they are old they will not turn from it. (Proverbs 22:6)

VISION

We aspire to be guided in all that we do by our inclusive Christian ethos. We are enthusiastic about life-long learning and share wisdom in serving each other and our world. We encourage all to live lives of hope and aspiration, inspired through acquiring new skills and attributes. Dignity and respect are at the heart of our school.

HEADTEACHER'S MESSAGE

Dear Parents and Carers, It was lovely to meet so many of you at our Parent Consultations this week. The relationship and communication between home and school is so important. We asked parents to complete a Parent View on the school, so that we can continually strive for excellence. If you didn't complete one, paper copies are available from the office. We will collate responses and report findings back later in the Autumn term. It has been a long half term (8 weeks) and next week we are closed for half term. We all hope that you have a wonderful week and most importantly stay safe with All Hallows Eve and Bonfire Night falling in this period. When we return, our Head Boy, Girl and House Captains will be leading our Remembrance Service at 11am on Friday 10th November at the Village Hall war memorial. We also have our Open sessions, so if you know someone who is starting school in September 2024, please spread the word. Kind Regards Mr E. Hobson.

PRAYER

Dear Lord, we hope that everyone will have a happy and safe half term. We also hope that you all had a good time at the House Competition. Amen

PREMIER LEAGUE FOOTBALL Y234

The Premier League football competition concluded this week with an enthralling final with Tottenham edging unbeaten Arsenal 2-1. Huge congratulations to Tottenham. Players from the finalists will receive medals in Worship this afternoon. Well done also to W. Davenport who ended up top scorer. I would like to thank the Year 6 'managers' who have helped me enormously run the competition. Year 4s- you will be able to play in the Y56 tournament next summer, whilst Y23s will be able to play again next Autumn. Finally, thank you to the parents for your support bringing kits and cheering on the players!

Y6 STANDON BOWERS

Year 6 parents were invited to an information session in year 6 on Monday about their upcoming trip to Standon Bowers. They were given information about activities, the timetable for the week and any other logistical questions. We cannot wait to enjoy a week in the warmer weather with the class!

Cross Country

On Thursday 19th twenty one dedicated St Anne's runners took part in the second of four meetings at Endon High school, on a muddy playing field. The children did themselves proud, all completing this challenging course. Notable performances include William Davenport 5th and Max Cogan 10th. Well done to all.

SAFE + SOUND- Y5 Leek Fire Station

Year 5, on Thursday 19th, visited Leek fire station as part of a Safe and Sound initiative. The children were involved in workshop activities that looked at safety around articulated lorries, fire safety in the home, being a good member of our community as well as a talk about banking with HSBC. It was a useful and worthwhile afternoon for the children.

Y5/6 GIRLS FOOTBALL

On Wednesday 18th, St Anne's fielded two girls football teams in an annual Staffordshire Moorlands district event. This took place at Moorside High school. The tournament saw our B team make good progress, finishing fifth place while our A team narrowly missed out progressing to the next level, finishing equal on points with Endon Hall, but just missing out on goal difference. Great effort girls, there will be other opportunities in future and I'm sure you are good enough to do even better.

RAF Cosford Y6

Year 6 enjoyed a great day out at RAF Cosford last Thursday. As we drove onto the Museum site excitement filled the bus as the first planes were spotted! The day was full of surprises. There were many aeroplanes to spot and look at from across the years. Our focus was on the World War 2 displays. This involved looking at the planes, reading and listening to the stories of those who flew and maintained them. Pupils and staff enjoyed the 4D cinema experience. Everyone then took part in a workshop, exploring in a group a particular story related to a mystery aircraft they had to find by following clues. The groups then retold the stories and acted out what they had learnt. The pupils were brilliant and everyone had a great day.

POLITE NOTICE We have once again had complaints from local residents and parents regarding inconsiderate parking on the zig zag lines outside school, parking dangerously and blocking driveways. **PLEASE PARK SAFELY**- the safety of our children is paramount at all times. Please support us in registering complaints to www.staffsmoorlands.gov.uk/article/2723/Contact-Us Phone: 0345 605 3010 

CRISP PACKET RECYCLING

We have begun collecting crisp packets at lunch time which is proving a great success! In our first two days we collected 46 packs, I wonder what the total will be this week? These packets will be used to create blankets and bivvy bags for homeless people. It takes about 150 crisp bags to make each blanket. Thank you to a very kind parent who has offered to continue delivering to Macclesfield Crisp Blankets for us. You can find out more information about this wonderful project here: <https://m.facebook.com/MacclesfieldCrispBlankets> Please continue to collect, open and wash any crisp packets you collect at home and send them in. Thank you!
