

St. Anne's C.E. (VC) Primary School

"Making Learning a Life Long Friend"

in association with

Staffordshire University

ABOUT SCHOOL DIRECT

Thank you for your interest in the St. Anne's Primary School consortium.

As a consortium we are committed to developing future teachers for the local area. St. Anne's Primary School is a "good" Primary School in North Staffordshire with close links to Stoke schools. Our School Direct cluster is a group of enthusiastic, varied and innovative primary and middle schools passionate about the learning that takes place in our schools. Gaining a place on our course gives you the opportunity to experience this enthusiasm and become a part of the team.

The learning and progress of the pupils is at the heart of our schools. We believe that our pupils deserve the best, so therefore we ensure that our teacher training course is also the best. Our Associate Teachers become part of the dedicated team at both Staffordshire University and within our consortium; gaining a first class experience on the course.

We work alongside Staffordshire University, an Outstanding Initial Teacher Training (ITT) provider. Through our University/School partnership you will leave the programme with Qualified Teacher Status (QTS), a Post Graduate Certificate in Education (PGCE) and up to 90 Master level credits. You will experience placements in two contrasting schools, all geographically close to each other. Our location on the border of Staffordshire and Stoke-on-Trent give you the unique opportunity to experience schools with different demographics, priorities and facilities.

2014/2015 results:-

65% graduated with Outstanding.

100% secured jobs for September by June 2015.

St Anne's C.E (V.C.) Primary School, Brown Edge, Stoke on Trent, Staffordshire ST6 8TA
