**RE: KIDS CLUB PRICING**

Following a meeting of the Governing Body of St. Anne's Before and After School Club (Kids' Club), the pricing structure of Kids' Club was reviewed for September 2021.

Kids' Club pricing has remained at the current levels for many years. We believe that Kids' Club prices have not increased since 2014 despite in this time the costs of running the provision increasing. The governing body have resisted to increase costs during this time despite costs such as staffing increasing by more than 25% so not to place parents or carers under financial pressure.

However, following a review of similar before and after school club provision both locally and county wide and a need to ensure that Kids' Club does not operate at a loss we are proposing that our pricing bands will increase from September 2021. This will allow us to continue to offer this vital provision to parents and carers.

Please find our proposed pricing structure below.

We recognise that increasing costs to parents and carers with the current economic uncertainty is not ideal, please rest assured that this decision has not been taken lightly and is a necessity to ensure the future viability of Kids Club. We do still firmly believe that the pricing structure we offer is good value for money for parents and carers and is competitive with provision elsewhere.

Yours sincerely,

Mr E. Hobson

On behalf of St Anne's Governing Body Business Resources Committee.
