### "Together with God, Making Learning a Life Long Friend"

*We aspire to be guided in all that we do by our inclusive Christian ethos. We are enthusiastic about life-long learning and share wisdom in serving each other and our world. We encourage all to live lives of hope and aspiration, inspired through acquiring new skills and attributes. Dignity and respect are at the heart of our school.*

It is with great pleasure that we welcome you to the St. Anne's C.E. Primary School. We hope you find the website interesting and informative and a flavour of our school. At St. Anne's we aim to provide a secure, stimulating and inclusive Christian environment in which children can reach their hopes and aspirations in all areas of school life. Our staff are dedicated and strive to give children the best educational experience possible. We expect the year's children spend at St. Anne's to be happy and successful. The School mission statement is 'Together with God, Making Learning a Life-Long Friend' and children are encouraged to have beliefs based on our Christian values to support their own academic and life achievements. We want St. Anne's to be a learning community where education and learning is viewed enthusiastically and children take control of their learning. We strive to offer a broad, balanced and relevant curriculum that enables children to flourish and leave our school with a rich experience and understanding of Christianity.
