Start children off on the way they should go and even when they are old they will not turn from it. (Proverbs 22:6)

VISION

We aspire to be guided in all that we do by our inclusive Christian ethos. We are enthusiastic about life-long learning and share wisdom in serving each other and our world. We encourage all to live lives of hope and aspiration, inspired through acquiring new skills and attributes. Dignity and respect are at the heart of our school.

HEADTEACHER'S MESSAGE

Dear Parents and Carers, Last week, I had the privilege to be asked to be a guest at our Reception Wedding. I was very proud to receive such an invite and was also delighted to see what wonderful learning went on from our Reception children. It was a lovely event and the staff and volunteers must be praised on a super learning experience for the children. This week and next week, we are holding our parent telephone consultations to update you on the progress of your children. Hopefully, we shall soon be able to invite you back into school to look at work and share events with you. Next week, staff are meeting to look at further ways of a return to normality in school. We shall keep you updated. Following the school's full governor meeting on Monday, a vacancy has arisen on the governing body for a parent governor. Should this interest you please do not hesitate to apply or contact the office for more information. Finally, whilst Class Dojo has undoubtedly improved communication between class teachers and parents, please can parents and carers be mindful of when messages are sent via Dojo. Please refrain from sending messages in the evenings and weekends and also ensure that the content of the messages are of an important nature for the teacher. Thank you for your co-operation. Mr Hobson

PRAYER ✝

Lord Jesus, for wise decisions in our lives, we turn to you. By making a good decision, we turn to you. Lord in all that we do—our decisions, actions or behaviours— help us to turn to you. Amen

In preparation for after half term they are each going to have a think of some ideas of how we can celebrate the Queens Platinum Jubilee in May. They already have quite a list of ideas; they are very excited!

SCHOOL LIBRARY

All children have now visited the library for the first time and each class now has a weekly slot where they can visit the library. Children are able to choose a library book of their choice to read for pleasure. This may be above or below their reading age; however, it is the child's choice. This book will be for reading and sharing at home. The child will then be expected to return the library book on their library day the following week and exchange it for another book.
