HEADTEACHER'S MESSAGE

Dear Parents and Carers, As we come to the end of a very sad half-term for the school and the end of an academic year that has seen countless disruption through Covid-19 to children's education, I must pay testimony to the efforts of all staff and governors, who have worked tirelessly for the school this year in very difficult circumstances. I must also thank you- the parents and carers whose support has been so appreciated by the staff. We have had countless gifts and treats to keep us going and it is very warming to know that we are valued by you. We are also so grateful for the support you have given the school through remote learning whilst juggling worklife, childcare and education- no mean feat! As we end the year, several staff are leaving for new challenges in their lives and we thank Madame Howard, Mrs Cullen and Mrs Gaulton-Best for their dedication and commitment to the school. We all wish them well for the future. Mrs Allmark is due to have an operation over the summer and treatment during the autumn term and will not return to the school until the Spring Term. I am sure you will all join me in wishing her a speedy and healthy recovery. Finally, everyone deserves some family time and I hope you all have a peaceful and restful summer holidays. Mr Hobson

PRAYER

Help them to continue to live their lives following our school values- so they are the best person they can be- Make us proud! Amen

SPORTS DAYS

EYFS and Key Stage 1 have had a great Sports Days this week where the children have been trying incredibly hard for their team. The children have done a variety of races ; one of the favourites has to be the obstacle course. Unfortunately, we did not have any spectators this year but the children have tried so hard and we are so proud of them for all their efforts.

YEAR 5 @ QUARRY BANK MILL

Year 5 visited Quarry Bank Mill at Styal on Tuesday 13th July. The children completed a few tasks such as washing clothes using a dolly tub and emptying jerry pots at the apprentice house. In the mill they collected cotton from the floor, changed looms and carried large tubes that would be full of cotton. The children had a very enjoyable visit and are glad to be at school rather than working at the mill.

YEAR 1 ALPACCA VISIT

Year one visited the alpacas this week on St. Anne's Vale. They had a lovely time meeting the boys (who smelt like popcorn). They fed and stroked the alpacas and giggled when they did a wee and poo. The alpaca lady very kindly made each of our children a felt alpaca which was so kind. The children had a lovely time and made some lovely memories.

POLITE NOTICE We have once again had complaints from local residents and parents regarding inconsiderate parking on the zig zag lines outside school, parking dangerously and blocking driveways. **PLEASE PARK SAFELY**- the safety of our children is paramount at all times. Please support us in registering complaints to www.staffsmoorlands.gov.uk/article/2723/Contact-Us Phone: 0345 605 3010 

Y2 MONKEY FOREST VISIT

On Tuesday 13th July Year 2 travelled to Trentham to visit the Monkey Forest. We were very lucky to have a guided tour, where one of the staff took us around the forest and told us lots of interesting facts about the monkeys. Some of the facts we learnt were: female monkeys have bigger bottoms than male monkeys and the monkeys always give birth to their babies at night up in the trees. We then had a picnic lunch and played on the amazing playground. It was a perfect end to an amazing year!

YEAR 1 SEASIDE DAY

This week year 1 had a seaside day in school. They had a Punch and Judy show, played beach volleyball. Ate ice cream and chips and played in the sand and enjoyed a water fight. They have loved their seaside topic and have enjoyed creating their own old traditional comedy seaside postcards.

YEAR 6 STANDON BOWERS

Year 6 have had an amazing final week at Standon Bowers. They've had a week packed full with archery, bridge building, high ropes, a day at the Roaches and much, much more. They have been complimented on their manners and listening skills all week and instructors have said what a "delightful group" they are. They are an absolute credit to themselves, the school and you as parents. It has been a pleasure to spend the week and even more so, the year with them and they will be missed by us all.

PICNIC IN THE PARK

July is National Picnic month so to celebrate the end of term Reception have walked to Brown Edge Park for a picnic. Reception had lots of fun and loved spending time with all the adults who have helped them. Thanks for all the picnic rugs that have been provided.

Illustrator Visit

Today Year 1 had a visit from a very special children's story-book illustrator called Ruth Hearson. She shared one of her books with us and we looked at how she had to draw lots of different pictures until her book was ready to publish. Ruth gave us two of her books signed with a very special message for us. We had a lovely afternoon.
