## VISION

We aspire to be guided in all that we do by our inclusive Christian ethos. We are enthusiastic about life-long learning and share wisdom in serving each other and our world. We encourage all to live lives of hope and aspiration, inspired through acquiring new skills and attributes. Dignity and respect are at the heart of our school.

## HEADTEACHER'S MESSAGE

Dear Parents and Carers, Happy new Yar and welcome back to the Spring term! This afternoon we have said our thanks and best wishes to two very special members of staff at St Anne's.

Mrs Becky Cuthbertson, our brilliant Lunchtime Supervisor left us on Wednesday to commence her maternity leave. We look forward to seeing the new addition to the Cuthbertson family and wish Becky and her family all the best.

Also, Miss Sproson, our associate teacher in Year 4 has left today too. Year 4 will certainly miss her and we thank her for all her help and support over the past six months. We wish you well in your teaching career. Congratulations to Mr Will Holdcroft and his family on the birth of his daughter Alice on 19th December. I am sure you will join us in wishing him and his family all the best for the future.

I would also like to thank our Key Stage 2 children who visited the Open centre and took part in Islam exhibitions in school this week. The respect, inquisitively and general conduct was exemplary with visitors commenting on how the children behaved. Well done.

Kind Regards, Mr E. Hobson.

## PRAYER +

Dear Lord, thank you for the good things you have given us and thank you for letting us be able to come to school with our friends, Amen

## SEND PARENTS DROP-IN

On the morning of Thursday 15<sup>th</sup> January, our SENDCO Mrs Bowcock welcomed parents to an informal SEND drop in. This was an opportunity for parents to speak about their children and discuss any issues they may have. The morning was very successful and we plan to do another one in the Summer term.

## RECEPTION SUPERHEROES + STANLEY HEAD VISIT

To launch our new topic on Superheroes, the children came to school dressed in their fantastic superhero costumes. We saw just a few Batmen, Supergirls and Supermen, to name a few! During the day, the children created their own superheroes and decided what superpowers they would have (including some very imaginative ideas, such as throwing peanuts at different people!). The children also enjoyed making their own superhero characters. Thank you to everyone who made the effort to dress up. It was lovely to see how excited and enthusiastic the children were throughout the day.

On Wednesday, Reception visited Stanley Head for an exciting Superhero Training Day. The children took part in an orienteering course, hunting for superheroes and demonstrating some fantastic map-reading skills. They also tackled a superhero obstacle course, climbing over a range of challenges, and even had a go at scaling the rock-climbing wall. The children were a real credit to the school, with brilliant behaviour throughout the day. A big thank you to all the parents and carers who helped with transport and support.

**POLITE NOTICE** We have once again had complaints from local residents and parents regarding inconsiderate parking on the zig zag lines outside school, parking dangerously and blocking driveways. **PLEASE PARK SAFELY**- the safety of our children is paramount at all times. ## Y6 SATs INFORMATION EVENING

On Monday 12th January, Miss Turner held a Year 6 information evening supported by Mrs Bailey and Miss Chirnside. It was a well-attended event. Although it is possibly not the most interesting information, it was useful for parents to hear how the week would look, what the papers involve and what can be done to help children at home.

## FLOURISH UPDATE

As part of the Flourish project in partnership with Connect2 and St. Annes Church we enjoyed a wonderful Crib service before Christmas, thank you to all who attended, and thank you to the children for the part they played in making the service so special. Looking ahead into this new term Y4 Bible heroes lunchtime club is back on, and our worship council will be preparing for a very exciting upcoming event, more details to follow.

## ISLAM EXHIBITION WORKSHOP

On Wednesday, our KS2 children had a fantastic opportunity to deepen their understanding of the Islamic faith and learn more about what life is like as a Muslim. We were delighted to welcome Hifsa, who delivered an engaging and insightful workshop. We're so thankful that Hifsa could visit us at St Anne's and for encouraging the children's curiosity by answering so many of their thoughtful questions.

## YEAR 5 @ ENDON HIGH SCHOOL- SCIENCE

Yesterday, children from year 5 attended Endon High for a science transition day. The activities were interesting and engaging, with one activity challenging the children to see how many drops of water they could pipette onto a penny. Of course, the class did us proud with their contribution and behaviour.
