Start children off on the way they should go and even when they are old they will not turn from it. (Proverbs 22:6)

VISION

We aspire to be guided in all that we do by our inclusive Christian ethos. We are enthusiastic about life-long learning and share wisdom in serving each other and our world. We encourage all to live lives of hope and aspiration, inspired through acquiring new skills and attributes. Dignity and respect are at the heart of our school.

HEADTEACHER'S MESSAGE

Dear Parents and Carers, We hope that everyone enjoyed celebrating Father's Day yesterday. Thank you to all who attended our Father's Day breakfast—it was wonderful to see so many families join us. A special mention must go to our staff team, who arrived bright and early (before 7am!) to prepare and ensure the event ran so smoothly.

The weather continues to be rather unpredictable, with some extremes recently. Unfortunately, last week's Sports Day had to be postponed, but we are pleased to confirm it has been rearranged for Tuesday 7th July. This week, we are expecting particularly high temperatures, so please ensure children come to school prepared with hats or caps, sun cream, and water bottles. There is no requirement for ties or jumpers during this period.

We have a number of exciting events coming up. Film Night is taking place this week—please sign up today if you have not already done so. Then, on 10th July, we will be hosting a sponsored inflatable event, which promises to be a fantastic experience for all children. Keep an eye on Dojo for further details as they are released.

Behind the scenes, we have been busy finalising staffing structures for the next academic year. We hope to share this information with you later this week, along with details of upcoming Parents' Evenings and Meet the Teacher sessions. Kind Regards, Mr Hobson

PRAYER

Dear Lord, thank you for the world cup that brings us together and for our school worships. Amen

K2M Concert Victoria Hall

Year 3 have had a great morning at the Victoria Hall representing our school at the WCET Celebration of Music Concert with many other children from across the local area. All of the children were an absolute credit to St Anne's and performed brilliantly. Thank you to everyone who came along to support the children, I'm sure you'll all agree that they were super stars.

FOOTBALL v GREENWAYS

Well done to our year 5/6 B team on Tuesday. Unfortunately, we lost the game but the boys acquitted themselves well.

BIKEABILITY

Lots of Year 6 took part recently in Bikeability. They did really well with some groups having to properly battle the elements!!
The children were complimented on their behaviour and attitudes to learning which was great to hear! Well done to all the children who took part and well done for your achievements.

POLITE NOTICE We have once again had complaints from local residents and parents regarding inconsiderate parking on the zig zag lines outside school, parking dangerously and blocking driveways. **PLEASE PARK SAFELY**- the safety of our children is paramount at all times. WORLD CUP FUNDRAISER

Year 4's have been challenged to come up with a project that gives back to their local area. They have been working in groups to develop their ideas and given a budget to work with. On Friday the first of these projects took place organised by Poppy, Vinnie and Bobby, a school-wide penalty shootout competition! Despite the rain, a significant amount of money was raised for their chosen charity - Dougie Mac.

NORTHWOOD ATHLETICS

Well done St Anne's on two fronts yesterday. Firstly, without bias, we were one of the best behaved and most respectful schools attending. Secondly, we finished runners up out of the eleven schools present in a highly competitive environment. St Anne's also claimed the boy's relay trophy and made a clean sweep in all the girl's sack races. Well done children. Definitely proud of you all.
Mr. Jones

GOVERNOR UPDATE

As we approach the end of the academic year, governors reviewed key areas of school performance, including pupil attainment, attendance, and the school's progress against this year's priorities. This included a detailed discussion on SEND provision, with valuable input from Mrs. Bowcock. Governors approved the school budget and began looking ahead, discussing plans and priorities for the next academic year to ensure the school continues to move forward positively.
