Start children off on the way they should go and even when they are old they will not turn from it. (Proverbs 22:6)

VISION

We aspire to be guided in all that we do by our inclusive Christian ethos. We are enthusiastic about life-long learning and share wisdom in serving each other and our world. We encourage all to live lives of hope and aspiration, inspired through acquiring new skills and attributes. Dignity and respect are at the heart of our school.

HEADTEACHER'S MESSAGE

Dear Parents and Carers, We are delighted that our new trim trail has been completed for Reception and Key Stage 1 children. We are very grateful to donations from the Williamson Trust and Severn Trent for the trail. We must thank Cllr Joe Porter for securing a donation from Severn Trent for the inconvenience with the water supply before Christmas. There will be a formal opening in the coming weeks! Yesterday, was World Book Day and we celebrated all things books at school. We had a great day, but I took the opportunity to stress the importance of reading on parents and carers. Daily reading or phonics practice at home makes a huge difference to children's progress and confidence in their reading; likewise sharing a bedtime story, no matter how old the child. I know modern life is busy, but this is something I would urge parents to do for the best of your child. Kind Regards Mr E. Hobson

PRAYER

Dear Lord, thank you for all the fun we have had this week and all the games we can play together and thank you for everything we have been able to do at school. Amen

HOCKEY CLUB

St. Anne's C. E. Primary School is delighted to welcome Daniel Cook from Leek Hockey Club. He is currently offering a four week after school hockey club on a Monday to children in Y5 and Y6. There is no doubt that following the first session this week that those children who attended definitely seemed to enjoy and benefitted from his first coaching session.

MY VOICE PROJECT Y4

From their discussions from previous weeks, Year 4's MyVoice community action project has been narrowed down to 3 different ideas:

- ♣ Environmental - a green school initiative such as raising money for litter picking or a wildlife project.
- ⊕ Physical activity - a project to encourage exercise and sport or to raise funding for new school equipment.
- ⊖ Gaming - a project in which games or competitions are organised and run which can be used to fundraise for school or for charity.

Children chose which project they were most passionate about and started to plan what it would look like. One of these projects will be chosen and run by Year 4 in the coming weeks!

WORSHIP COUNCIL @ TIBBERTON

Last week we had a wonderful trip down to Tibberton Church of England Primary School who are also part of the Flourish project. When the children arrived, they enjoyed eating lunch in the outdoor space and making some new friends. This was followed by a good game of football where the girls really showed their talent to Tibberton! After lunch we had a joint collective worship followed by a Holy Spirit workshop with Tibberton students. To end the day our singer and songwriter Becky Drake from Worship for Everyone visited, lots of fun was had and a great Q&A from this amazing worship leader whose songs we regularly enjoy singing in our school. The children were an absolute credit and this was mentioned by many

WORLD BOOK DAY

World Book Day yesterday was a great success! Thank you so much for all the children and parents who made an effort to dress up or wear their pyjamas for the occasion. It was wonderful to celebrate reading with everyone: Magic Nana read a bedtime story to Early Years and Key Stage One, dressed as Woody from Toy Story, Miss Chirside our resident professional actor read stories to Key Stage Two and we all enjoyed showing off our costumes to the rest of the school in a World Book Day themed assembly. A great day was had by all. Our annual book fair will begin towards the end of next week which will be running over parents evening for anyone wanting some books. Dates to follow.

Y5/6 Visit by School Nurse

On Wednesday, year 5 and 6 had their annual talk from Personal Development Matters about puberty and body changes. Year 5 and 6 were very mature and asked Mrs Huggins lots of sensible questions. They were complimented as always on their behaviour.
