## Summer Newsletter 2026

### A WELCOME FROM THE INCLUSION TEAM

Welcome to our Summer Term Inclusion Newsletter. This newsletter is designed to share and celebrate the inclusive practice taking place across St Anne's Primary School and to keep families informed about how we support every child to thrive academically, socially and emotionally. We are proud of the strong relationships between home and school and value your continued support. We hope this newsletter helps you to better understand our inclusion offer and the work that goes on behind the scenes to support all pupils.

### NURTURE AND PASTORAL SUPPORT

At St Anne's Primary School, we recognise that some children may need additional support with their social and emotional development. Our nurture and pastoral provision offers a calm, supportive environment where pupils can develop confidence, emotional regulation and positive relationships. This provision is designed to complement, not replace, the mainstream classroom experience and is carefully tailored to meet individual needs.

### STAFF PROFESSIONAL LEARNING

During the Spring term, staff took part in professional development focused on inclusion and adaptive teaching. This has supported staff to:

- Remove barriers to learning.
- Adapt teaching to meet diverse needs.
- Support positive behaviour and emotional regulation.
- Develop confidence in supporting pupils with SEND
- Ongoing training ensures that inclusive practice remains a priority across the school.

"When children feel safe, valued and understood, they are able to flourish."

## LOOKING AHEAD

As we progress through the Summer term, our focus will continue to be on strengthening inclusive practice, listening to pupil and parent voice, and ensuring that every child at St Anne's Primary School feels supported to reach their full potential.

If you would like to know more about our inclusion offer or have any questions, please do not hesitate to get in touch via the school office.

Thank you for your continued support.
